Sales Pitch – Destini 125 BS6

Sir,
Destini 125 BS6 has become more powerful & stylish.
For clean emission, it has BS6 engine & programmed Fi.
Its intelligent sensors will give you many benefits, like:

- High Mileage and Low Maintenance
- Smooth ride with great pick up
- Long Engine life & No Choke required due to Cold start feature

Additionally, you will get...
Good mileage in heavy traffic conditions because it has i3s technology.
Riding comfort due to its good suspensions.
Safety because it has best braking, side stand indicator, vehicle check-up light.
Convenience due to external fuel filling and Mobile charging USB port.
And, high Resale Value because of the strong Hero brand.
With all this, YOU will get Trust of Hero and 5 years warranty plus 5 free service.
And you will get convenience with its large service network & spare parts availability.
